Russ Read: 336.734.7651, rread@forsythtech.edu

Ms. Byrne is CEO and board chair of Javara, an Integrated Research Organization (IRO) that offers comprehensive clinical research services to better align population health initiatives across value-oriented health care systems. Her involvement in the clinical research enterprise includes collaborations with hundreds of pharma, device, Contract Research Organizations (CROs), technology, site organizations, and other research service providers. Ms. Byrne currently serves as board chair for Greater Gift, a member of the Board of Trustees for The Association of Clinical Research Professionals (ACRP), and board member for The Hospice Foundation and Summit School. Additionally, she is an advisory board member to CISCRP, Wake Forest Institute of Regenerative Medicine, The Dioko Fund, and The North Carolina Biotech of the Piedmont Triad. Ms. Byrne is a graduate of Texas A&M University.
