# 2020 SciTech Lecture Series

## Stepping into the Biotech Future with Augmented and Virtual Reality

*presented by*

Donald L. McCoy

K-to-College STEM Education Consultant

Donald McCoy and Associates, LLC

**Thursday, March 5**

**4 p.m.**

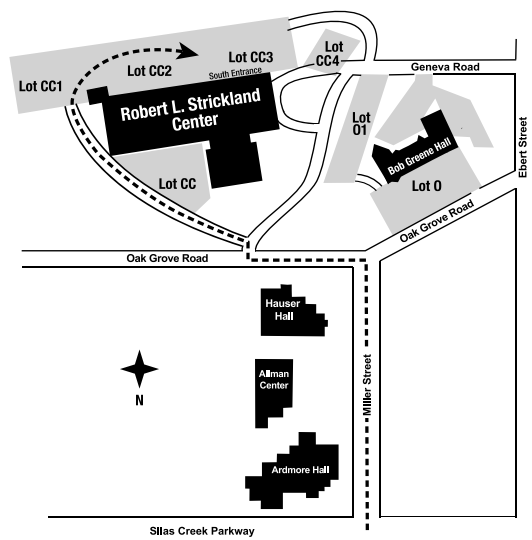

**Strickland Auditorium**

**Robert L. Strickland Center**

**Forsyth Tech Main Campus**

**2100 Silas Creek Parkway, Winston-Salem, N.C. 27103**

Enter campus on Miller Street and go to the end of the street. Turn left onto Oak Grove Road and then turn right into the first drive.

Donald McCoy retired from the IBM Corporation as a senior engineer after 30 years of service. His last decade at IBM, was focused on K-to-College initiatives and outreach programs designed to attract, develop, and retain the representation of diverse technical talent and workforce readiness programs. Programs and projects included diversity pipeline workplace strategies, budget and operations

management, workshop facilitation, technology camps, career fairs, conferences, and mentoring programs.

Today Mr. McCoy is a K-to-College STEM (Science, Technology, Engineering, and Mathematics) Education Consultant. Launched in 2010, Donald McCoy and Associates, business clients and partners include educational institutions, government agencies, corporations, and non-profits. Some area clients and projects include, North Carolina Agricultural and Technical State University – College of Engineering, North Carolina State University – College of Education, and consulting on National Science Foundation grants.

Donald graduated from Old Dominion University in Norfolk, Virginia, with a B.S. degree in Electrical Engineering Technology in 1979. He earned an A.A.S. degree in Electronics Technology from the College of the Albemarle Community College in Elizabeth City, North Carolina in 1976.
